Tracking Training Log

- (1) Describe the training. (2) Describe the ground cover(s) encountered.
- (3) What did you detect? (4) What variables changed during the training?
- (5) What challenges were there? (6) To what conditions were the tracks/sign exposed?

(7) What lessons were learned/reinforced? (8) Is there a track card, sketch, AAR or ot	her attachment(s)?
